

Welcome Future First Grade Students and Families!

We can't wait to meet all of you in the fall! You are not required to purchase any items, but if you are willing to donate any of the following items, it would be greatly appreciated. We separated the lists so you can see that some items are going to be shared, while others will be used for just your child. We want to keep each student safe. Thanks in advance for your willingness to donate to our first grade classrooms!

## Individual Materials

You can bring these materials to school at Open House or on the first day and we will put a label with your child's name on them (Just be sure your child's name is on the bag they bring in.)
