

STUDENT SERVICES CONNECTION

Hi Kenowa Hills High School Families! As we wrap up the 24-25 school year, we first want to extend a huge Congratulations to the Class of 2025! We are so excited for you and this next step in your life. We know you will accomplish great things!

Post Secondary Planning

Senior Year Comes Up Fast — Be Prepared for Your Future! Summer is the perfect time to start planning ahead for your future.

Consider spending time on:

- College Visits – Get a feel for campus life and narrow down your options.
- Job Shadowing & Internships – Explore career interests and build real-world experience.
- Naviance Assessments – Have your student review their results to reflect on strengths, interests, and possible career paths.

Start meaningful conversations with your student about their goals and plans for life after high school.

 Check out this College Planning Timeline for Incoming Seniors to stay on track all year long.

Scheduling

Our team has officially wrapped up scheduling for next school year. The master schedule is created during the summer months. Students will receive their schedule during registration in August. Counselors do not work during the summer, so if you have a question pertaining to scheduling, please reach out to your student's counselor before summer begins.

Summer School

This year's summer school is through MySchool at Kent. Students who have failed a required class for graduation are strongly recommended to complete summer school or risk being off track for graduation. Summer school will run from June 9th through July 31st. The classes will be completed online, but students will need to go in to complete unit tests. Kenowa Hills will have a testing site available at the high school. For additional information regarding summer school, please visit

[MySchool of Kent Summer School](#).

Please reach out to your student's school counselor with any questions related to summer school or graduation requirements.
